

On Saturday, Feb. 20th we will be offering a talk plus Q & A by Dr. Michelle Herlihy, DVM, certified animal Chiropractor. It will be held at her office at 800 Ogden Ave, Suite 8, Downers Grove, Ill. From approximately 1:30 PM to 3:00 PM. You can view her services at her website: www.pawsitivelybalanced.com, besides animal chiropractic services she offers laser treatments, and carries supplements and foods. Jan Smart will be there to talk about Canine Myotherapy as well.

The talk will be limited to the first 30 folks to sign up, it's FREE. We will have coffee & cookies but we ask you to please bring your own chair. No dogs allowed. If you plan on coming, please contact me, Pat Weber, at 815-726-0857 or sinclair@ameritech.net.

When you go to her website it will provide you with directions as well as all her services plus upcoming events which includes our talk.

I am a firm believer (as well as some other club members) in her services & have used her on my dogs for years. I think it will give you a good overview of what this is all about. You will find a map attached. Hope to see you there.
